# CALIDAD

Quality

Tecnología de vanguardia con corazón.  
*Leading edge technology from the heart.*

¿Deseas más información?  
*Do you want more information?*

La calidad, el compromiso con la sociedad y el cuidado medioambiental está presente en toda nuestra cadena de valor. Ésta nos permite crear conceptos innovadores que generen un impacto positivo en el medio ambiente y a la vez satisfacen las necesidades de los clientes en funcionalidad, confort y diseño.

Nuestro sistema de control de la calidad está certificado de acuerdo a la norma UNE-EN-ISO 9001, por parte del prestigioso organismo certificador Independent European Certification Ltd. y revisado anualmente. Además para nuestros modelos de secamanos disponemos de certificaciones acordes a las mayores exigencias requeridas por el mercado.

*Quality, commitment to society and environmental awareness is present in our entire value chain. This vision, allows us to create innovative concepts that generate a positive impact on the environment and at the same time satisfy the clients' needs for functionality, comfort and design.*

*Our quality management system is certified according to the UNE-EN-ISO 9001 standard, by the prestigious Independent European Certification Ltd. and reviewed annually. In addition to our models of dryers, we have certifications according to the market requirements.*
